### PARENT-TOT - PARENT-TOT lessons are

designed to introduce infants/toddlers to the water. The emphasis of this hands-on class is to make children comfortable in the water while teaching them basic swimming skills. This instructor-guided class gives parents the tools with which to teach their children front and back floats as well as how to put the face in the water. Ages 6 months - 3 years.

### Parent-Tot will resume June 9th

### PRE-SWIM TEAM - PRE-SWIM TEAM is

designed for those interested in taking the next step toward swim team. This class, which will be mildly competitive, is for kids who love swimming and want to have fun. Swimmers who haven't decided if swim team is right for them will enjoy Pre-Swim Team. Practice will include laps, drills, relay work, racing starts, and swim meet/fun days.

**\*Prerequisite: Swimmer must try-out with the Coach or be a graduate of CBRC's Shark level.**

#### **Pre-Summer Session:**

**Weekdays: May 7th - May 31st**

**Weekends: May 5th- June 2nd**

### JELLYFISH - The JELLYFISH level is

designed to introduce swimmers to the water. Children learn to become comfortable with their faces under the water. In order to pass the Jellyfish level, students must float unsupported, complete a basic flutter kick on both their backs and stomachs, and roll comfortably from front to back and back to front.

### STARFISH - The STARFISH level will learn

the front crawl, elementary backstroke and proper breathing techniques. The whip kick and back crawl are introduced. Swimmers must be able to swim 15 meters with the front crawl and elementary backstroke in order to pass the level.

### SEAHORSE- Swimmers at the SEAHORSE level

know the front crawl, back crawl, and elementary backstroke. Emphasis at this level will be to fine tune rhythmic breathing with the crawl stroke. Treading water, the dolphin kick, and kneeling and standing dives are also introduced. Swimmers are expected to swim the length of the pool with the front crawl, back crawl and elementary backstroke in order to pass this level.

### MANTA RAY & SHARK - The emphasis

at the MANTA RAY level is learning the breaststroke and butterfly. The dolphin kick is also mastered. Swimmers will be expected to swim two lengths of the pool using the backstroke, breaststroke and freestyle strokes without stopping to advance to the next level. The SHARK class is for the most advanced swimmer. At this level the butterfly stroke and the breaststroke are coordinated. Swimmers must swim four lengths of the pool with backstroke, breaststroke and freestyle to complete the program. Students who successfully complete the program are encouraged to join the **Pre-Swim Team!**
