

PARENT-TOT - PARENT-TOT classes are designed to introduce infants/toddlers to the water. The emphasis of this hands-on class is to make children comfortable in the water while teaching them basic water skills. This instructor guided class gives parents the tools to teach their children front and back floats as well as how to comfortably put the face in the water. Ages 6 months - 3 years.

Next session coming June!

JELLYFISH - Is designed to introduce swimmers to the water independently. They will become comfortable putting their faces in the water, going under the water, floating, and will receive introduction to strokes. In order to pass the Jellyfish level, students must float unsupported both on their stomachs and backs, then comfortably roll from front to back and back to front.
